Erie County Extension Foundation was created in 2005 to assist Cornell Cooperative Extension of Erie County. We have provided assistance to various programs throughout Cornell Cooperative Extension of Erie County as well as providing multiple scholarships in memory of our former Board member, Jim Smith. These scholarships will be available to graduating seniors to further their education at college, university, technical, or vocational schools. With your continued support, we will expand and increase these awards annually. Thank you for your generous support.
