

## Using Vouchers at TOPs Friendly Markets

**-Vouchers can be used on Fresh Fruits and Fresh Vegetables and Fresh Herbs.**

**-No change** will be given for a voucher.

**-Use the full amount of the voucher** for fruits and veggies, if possible, so you get full use of the voucher.

**-Separate the fruits and vegetables** that you want to use with vouchers from any other items you are purchasing. \*\*If purchasing items other than fruits and vegetables, please purchase them in a different transaction/order.

**-You no longer need to go to the customer service desk.**

-The vouchers will be processed at the cash-out.

-The manager that supervises the registers will help the staff at the cashout to process the vouchers for payment. This is a new program for TOPs, please anticipate that TOPs staff are adjusting to the process.

**-Starting on May 9, 2023:** The TOPS Friendly Market Location at 425 Niagara Street Buffalo NY 14201 will accept Fruit and Vegetable Prescription Vouchers.
